Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§1.56 and 1.97(b), applicants bring to the Examiner's attention the documents listed on attached Form PTO/SB/08. With exception of the U.S. publication, copies of the listed foreign patent documents are attached. Applicants respectfully request that the Examiner consider the documents listed on attached Form PTO/SB/08 and indicate that they were considered by making an appropriate notation on this form. This Information Disclosure Statement is being filed with the above-referenced application.

The following are listed on the accompanying PTO/SB/08 and are in a non-English language:

1. Japanese Patent Publication No. 08-034076 - An English language translation and English language abstract of this document are enclosed.
2. Japanese Patent Publication No. 08-282400 - An English language translation and English language abstract of this document are enclosed.
3. Japanese Patent Publication No. 2004-035822 - This document corresponds to US Publication No. US 2004/0010090 A1, which is cited on the attached Form PTO/SB/08.
4. Japanese Patent Publication No. 09-040814 - An English language translation and English language abstract of this document are enclosed. The relevance of this document is also discussed at page 2 of the specification of the present application.
5. Japanese Patent Publication No. 2004-051814 - An English language translation and English language abstract of this document are enclosed.
6. Japanese Patent Publication No. 2001-096671 - An English language translation and English language abstract of this document are enclosed.

Also enclosed is an English-language international search report from the Japanese Patent Office in the PCT international application, from which this national phase U.S. application is derived, citing documents 1-3, 5 and 6, and setting forth the relevance thereof.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed

documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
